

HOD's Desk

Our Department is one of the leading departments in this campus providing highly technology-oriented programmes to meet today's needs of young minds, a department having highly qualified, experienced and dedicated teaching faculty to impart knowledge in various fields including recent technologies helping students to take on any problem related to Computer Science, a field in which kaleidoscopic changes are occurring incessantly opening new avenues, unraveling new vistas and extending the horizons of knowledge with every passing day.

With the right mix of creative talents, use of innovative technologies and strong relationships with various industries, the Department delivers quality methods of teaching that help students enhance their knowledge, understand the importance of being leaders in the area of their interest and provide them with an unbeatable edge to success in today's demanding work place and global market. The frantic efforts made in this direction never go in vain. As a result our students to achieve their target of entering into big business houses or heading for esteemed Institutions in the country and to the foreign shores for higher studies.

I ardently admire the Faculty and supportive staff who have worked in an exemplary team spirit to enable the Department to grow from strength to strength and hope they will continue with the same zeal in future too.
